Easily rent out through EEZZ

Register your
accommodation on eezz.nl

Hello, we are eezz!

Are you interested in renting out your accommodations? You've come to the right place! We take care of everything and ensure that your accommodation is rented out the right way, according to the correct guidelines. What do you have to do in order to make this happen?

- 1 First of all, you need to request permission from Roompot. This can be done by filling out a 'declaration of no objection.' You can request this form via eigenarenservice@roompot.nl and return the completed form by email.
- 2 You will then receive a signed copy from Roompot indicating that, in accordance with the Recron terms and conditions, you have been granted permission to rent out through **EEZZ** for this season.
- 3 After obtaining the signed copy from Roompot, you can proceed to make an account and register your accommodation directly through www.eezz.nl. Go to the top right "Dashboard" We will then assess your property for rental suitability.
- 4 Once **EEZZ** takes your accommodation into rental, you will enter into a rental agreement with **EEZZ**. The prices for your accommodation will be determined by **EEZZ**, and we will handle all communication with the guests and manage your payouts. **EEZZ** ensures you are completely taken care of in this process, and Roompot is not involved. Easy, isn't it?
