In this brochure, we're happy to inform you about how Our company EEZZ can support you, and how we take care of private rentals at your park.

About EEZZ

EEZZ is a dynamic company operated by a passionate team with experience at a national level and services at a local level. Our team works closely together, making sure to keep communicating between all levels of the company.

EEZZ acts as the link between owner and guest at vacation parks and campsites. This ensures that renting the accommodations for our guests runs smoothly. Our owners won't have to worry about their accommodation when it comes to promotion and rental.

EEZZ is a company that carries out its activities with passion and joy, making every effort to provide both guests and accommodation owners with a delightful experience.

Our mission is "rent to relax," signifying that taking care of our guests is always our top priority. We strive to organize everything seamlessly for property owners, ensuring a smooth experience from A to Z.

EEZZ takes care of the administration

When you decide to entrust EEZZ with the rental management of accommodations at your park, we ensure that you don't have to worry about the administrative aspects of the rental process.

We handle the bookings of accommodations and maintain communication with the guests. Additionally, we manage the collection of the rent and other associated costs. It is also possible to have EEZZ handle the lodgers at the private accommodations on the park. Payments to the park are handled through EEZZ, eliminating the need for you to keep track of the administration for all the different guests and lodgers in accommodations.

What can EEZZ do for you?

You're probably curious about what EEZZ can do for you and your holiday park. We take care of all the tasks related to the rental of accommodations handling both the administrative and practical aspects, while also ensuring the necessary promotion of the accommodations and, also of your park.

We make the accommodation rental process easy, ensuring that all administrative tasks are consolidated in one place. This way, we make sure you don't have to worry about any concerns you may have about the accommodation rental process on your park, as we take care of all the work for you.

EEZZ manages the practical side

Certainly, you don't want to be bothered by guests for every small detail; that's where EEZZ steps in. We're here to handle various tasks related to the rental of accommodations on your park:

EEZZ takes care of:

- Key issuance in collaboration with your reception
- Cleaning and maintenance of accommodations
