

Carefree private rental at your park

How EEZZ rents, provides and promotes accommodations at your park

Welcome at EEZZ!

EEZZ handles the entire rental of vacation rentals at your resort from A to Z.

Whether you're a project developer, an operator, a private owner or an owners' association, we enjoy building personal relationships and understand the challenges in managing recreation sites. EEZZ takes care of the entire rental process, so you don't have to think about anything.

With EEZZ, all rentals at your park are in the capable hands of a single party - EEZZ! Trust us to make the rental at your vacation park a resounding success. In this brochure, we're happy to inform you about how EEZZ can support you, and how we take care of private rentals at your park.

About EEZZ

EEZZ is a dynamic company with experience at the national level and services at the local level. Our close-knit team knows the meaning of teamwork; making sure to keep communicating between all levels of the company.

EEZZ acts as the link between the owner and guests at vacation parks and campsites. This ensures that renting out the accommodations runs smoothly for the guests and that the owners are relieved; not having to move a muscle about any aspects surrounding the rental.

EEZZ is a company that conducts its business with passion and pleasure, doing everything possible to provide an enjoyable time for the guest, property owner and park owner alike.

Our mission is "rent to relax," signifying that taking care of our guests is always our top priority. We strive to organize everything seamlessly for property owners, ensuring a smooth experience from A to Z.

EEZZ takes care of the administration

When you decide to entrust EEZZ with the rental management of accommodations at your park, we ensure that you don't have to worry about the administrative aspects of the rental process.

We handle the bookings of accommodations and maintain communication with the guests. Additionally, we manage the collection of the rent and other associated costs. It is also possible to have EEZZ handle the lodgers at the private accommodations on the park. Payments to the park are handled through EEZZ, eliminating the need for you to keep track of the administration for all the different guests and lodgers in accommodations.

What can EEZZ do for you?

You're probably curious about what EEZZ can do for you and your holiday park. We take care of all the tasks related to the rental of accommodations handling both the administrative and practical aspects, while also ensuring the necessary promotion of the accommodations and park.

We make the accommodation rental process easy, ensuring that all administrative tasks are consolidated in one place; our very own software. Whether you are a park manager with self-managed accommodations or a private owner, with EEZZ you will find everything clearly organized. This way, we make sure you don't have to worry about any concerns you may have about the accommodation rental process on your park, as we take care of all the work for you.

EEZZ manages the practical side

Certainly, you don't want to be bothered by guests for every small detail; that's where EEZZ steps in. We're here to handle various tasks related to the rental of accommodations on your park.

EEZZ takes care of:

- Key issuance i.c.w. with the front desk if present;
- Cleaning and maintenance of accommodations;
- Administration;
- Providing management reports;
- Guest verification per booking;
- An emergency service available 24/7;
- Technical service;
- Guest service;
- An EEZZ app for guests with information about the park, the surrounding area and the ability to make a report.

As you can see, EEZZ takes care of all practical matters. We ensure that you don't have to worry about the various accommodations on your park and their rental. In addition, accommodations managed by EEZZ are always well-maintained and we take on the role of the point of contact for guests on your behalf.

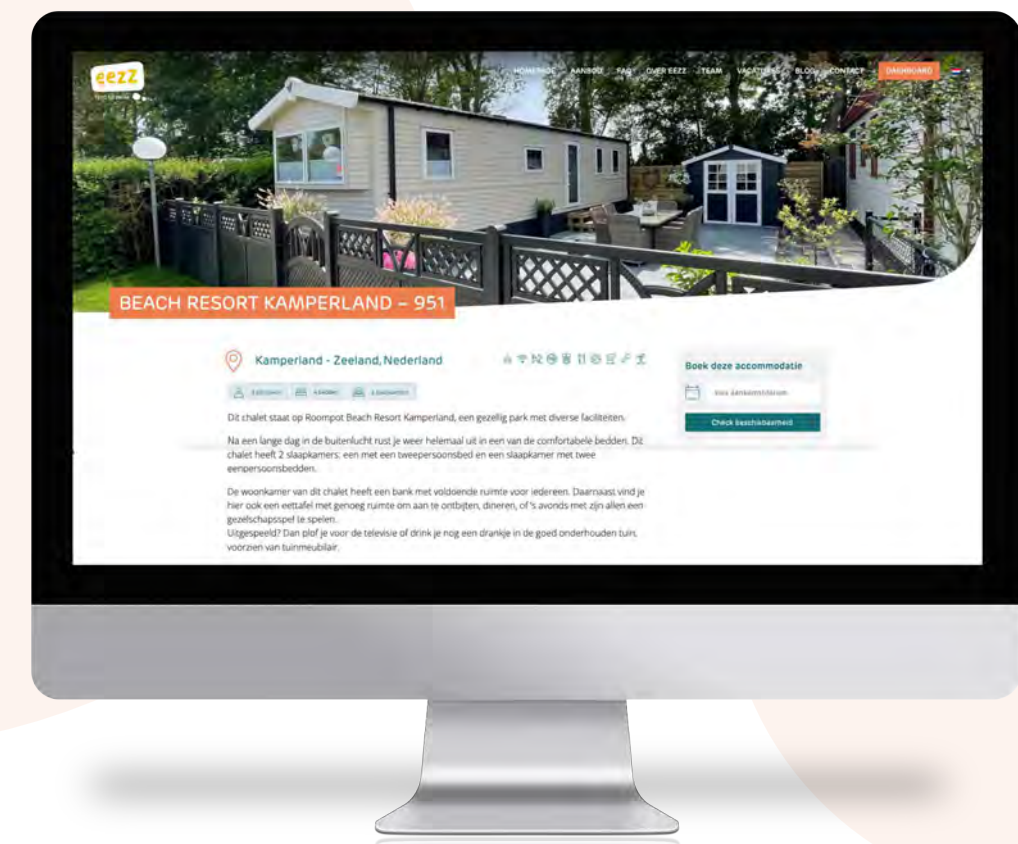

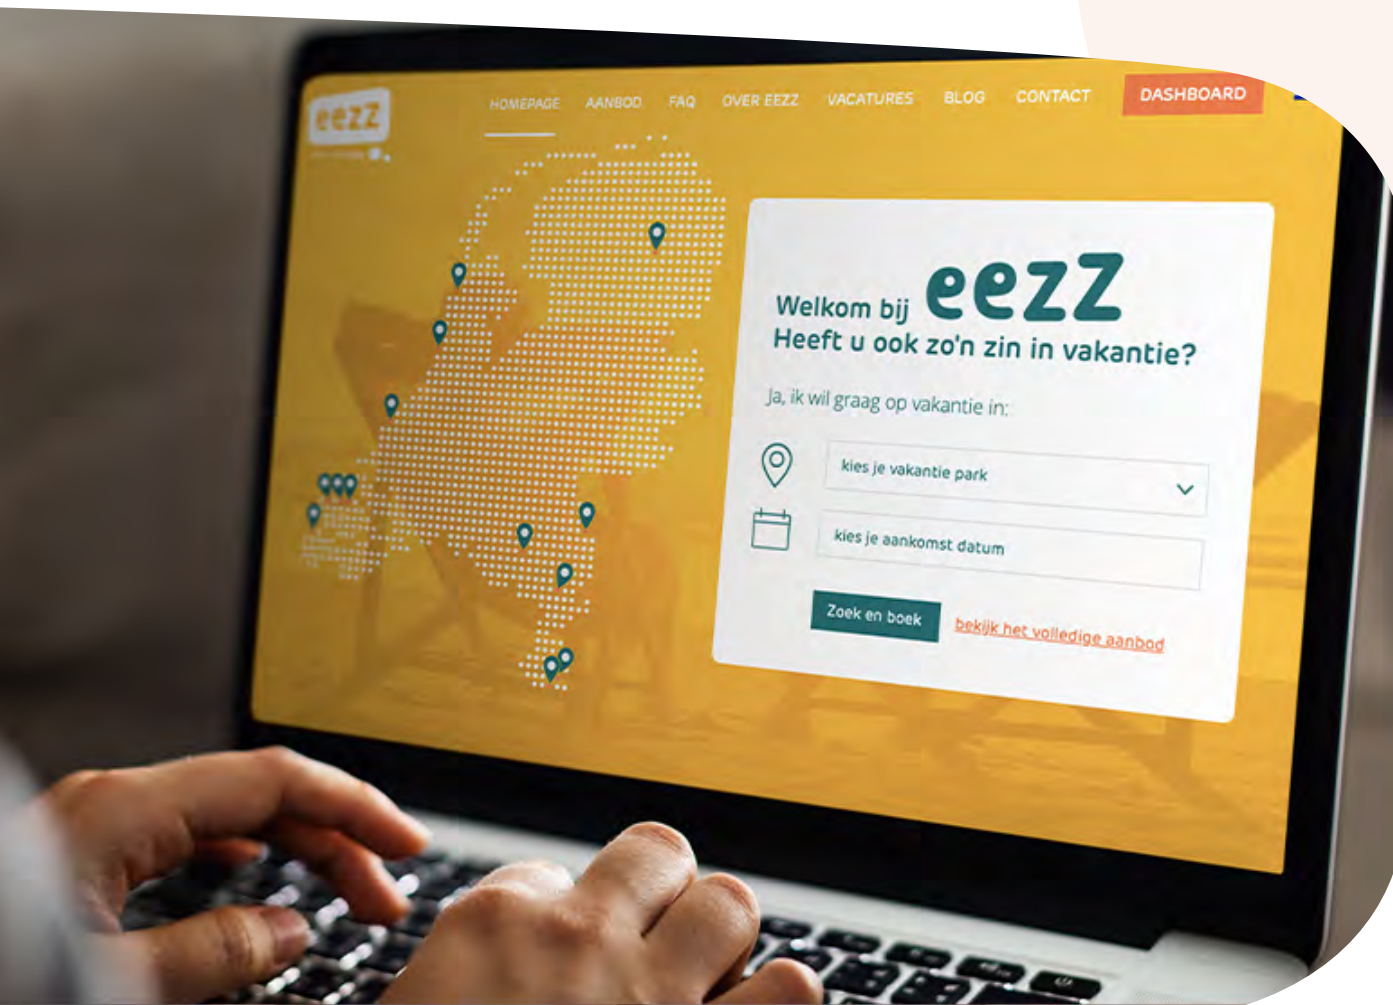

EEZZ promotes

When you collaborate with EEZZ, you've chosen a partner who is passionate about working for your park! We strive to make EEZZ's accommodations stand out and be fully booked as much as possible.

At EEZZ, accommodations get to be in the spotlight on our website! But it doesn't stop there - we go the extra mile by engaging external booking portals to ensure even greater visibility. Our social media presence is also very active, giving your accommodations even more visibility through regular promotions of our extensive portfolio.

With EEZZ you won't just increase the rental at your vacation park, but also the number of guests! And more guests means more life. Think of a bustling restaurant, lively stores and a bike rental that works overtime!

With EEZZ you will not only see the amount of rentals rise, but all other facilities flourish!
